Construction Est.1902

Safety Week 18th - 22nd September 2017

Stewart Construction is proud to announce that we will be conducting our first annual Safety Week which will run from 18th -22nd September 2017. The objective of the Safety Week is to ensure that every person on every site gets involved in the various proactive initiatives and activities which will be ongoing on site throughout the week. All activities and events will be safety related and your engagement is required and appreciated. The theme of the week will be **“Safe Today, Here Tomorrow!”**

Some of the events and activities planned for Safety Week are as follows;

- Tool Box Talks carried out on every site every day which will be delivered by Senior Management.
- Site Safety Inspections carried out on site by Senior Management.
- Safety Quizzes & Competitions
- Hazard Spotting Exercises on every site.
- Occupational Health Screening (on some sites).
- Safety Poster Design Competition. Contractors Children can design a safety themed poster which will be displayed on all Stewart Sites.
- Safety Talks by victims of construction site accidents.
- Safety Talks by Stewart Directors and Contractor Directors.
- Various other Safety related activities.
- Various Prizes will be presented to the winners of the various competitions, quizzes and initiatives.

Your engagement and co-operation is requested and appreciated.

Remember SAFETY is EVERYBODY's business.

A serious accident or incident on site affects everybody.

“Safe Today, Here Tomorrow!”
